

MÉTIS

LIVE WITH
INGENUITY!

We are taking the most innovative European designs and blending it with traditional quality, colour science and premium water-resistant material throughout this entire range.

MÉTIS

NEVER WORRY ABOUT THE STYLE AND THE QUALITY.
IT IS DESIGNED AND BUILT TO LAST.

MÉTIS WOULD BE THE PERFECT CHOICE FOR YOU.

Vela® has 3 core vanity series to make sure you find what you're looking for.

In Vela there are three different ranges

MÉTIS the latest European-inspired trends for classic style design and exceptional quality.

Totara 100% designed, sourced and made in Aotearoa that is accustomed to local lifestyles and values.

ASTER a customised design for your own signature vanity by combining authentic design piece.

which are classified by customisation levels, offering an extensive list of options to suit different needs.

Every piece from the collections reflects the excellence of Vela product: brilliant design, consistency in durable quality and eco-consciousness.

Our Vision

Vela - A platform with our competitive edge to give customers better alternatives.

Who We Serve

Based in Auckland, as a supplier, we offer a comprehensive range of quality bathroom vanities and related services to distributors and large-scale domestic project developers.

Our Values

Customer-driven , collaboration, innovation, reliability, efficiency, professionalism.

Our Mission

Our goal has always been towards achieving higher customer satisfaction, staying at the pulse of industry trends, and bringing innovative solutions for the modern homeowners.

FEATURED PRODUCT:
THALIA 900 FLOOR-STANDING VANITY
SKU: MCA-F90-P16
POLYMARBLE BASIN

Thalia

Unique **knobs handle**, together with medieval white painting colour. Lines are classic, so is **water resistance**. Different configuration on this vanity, provides not only more space, but also different ways of organising.

Concise function is strong and classic, along with rich details, which reveals the style of elegance and consistency.

Durable

UV Protection

Water Resistance
