

The background of the image is a dark, moody photograph of a fern leaf. The leaf is green and has a complex, feathery structure with many small, pointed leaflets. The lighting is dramatic, highlighting the texture of the leaf against a deep black background. The logo text is overlaid on the upper portion of the leaf.

Exploring the possibility at Vela

Vela has 3 core vanity styles to make sure you find what you're looking for.

Under Vela there are three different ranges - *Metis, Totara and Aster*, which are classified by customisation levels, offering an extensive list of options to suit different needs. Every piece from the collections reflects the excellence of Vela Products: brilliant design, caring, consistency in durable quality, eco-conscious.

Our Vision

Vela - A platform with our competitive edge to give customers better alternatives.

Who We Serve

Based in Auckland, as a supplier, we offer a comprehensive range of quality bathroom vanities and related services to distributors and large-scale domestic project developers.

Our Values

Customer-driven , collaboration, innovation, reliability, efficiency, professionalism

Our Mission

Our goal has been always been towards achieving higher customer satisfaction, staying at the pulse of industry trends, and bringing innovative solutions for the modern homeowner.

FEATURED PRODUCT:
NGAIO 900 WALL-HUNG VANITY
SKU: P-WH-90-FO
FRENCH OAK
PROFILE HANDLE
CERAMIC BASIN
8

Totara is proud to be NZ Made, offering products and services with our professional factory which has more than 20-years experience.

The Wall-Hung style has a modern look and stunning woodgrain finish, with soft close mechanism and a smart inner drawer design, which really illustrates the practical but beautiful style.

The Free-Standing style highlights a classic design with two deep and wide drawers that provides comfortable storage space, while the sleek lines and the vibrant texture presents the simplistic look.
